

## CIB ELIGIBILITY REQUIREMENTS

The following are guidelines for submitting Capital Improvement Budget Project proposals.

- A. The purpose of a project proposal should be to finance acquisition, construction, betterment, physical development, redevelopment and other improvement of land and facilities owned by the city, the Saint Paul Housing and Redevelopment Authority, and the Saint Paul Public Library Agency
- B. Typical project proposals improve.....
  - a. *Streets*
  - b. *Sewers*
  - c. *Bridges*
  - d. *Libraries*
  - e. *Recreation Centers*
  - f. *Playground Equipment*
  - g. *Traffic Flow*
  - h. *Housing and economic development*
  - i. *Other **public** facilities and infrastructure*
- C. All improvements must have a useful life of at least 10 years
- D. Projects must comply with the City of Saint Paul's public art ordinance. A summary of the ordinance requirements is attached.
- E. Organizations and individuals may submit proposals on their own, in conjunction with other neighborhood groups, or jointly with City departments.
